

“The battles Cuba has fought have not been easy. Some were physical battles, such as the battle against bandits in the Escambray Mountains or the Bay of Pigs invasion. However, most were not battles of physical might, but battles of ideas. But with every twist and turn, every up and down Fidel has been one of the first leaders to say, ‘this way forward’ or ‘we made a wrong turn, we must change course.’” - Excerpt from Five Decades of the Cuban Revolution
